TUCUMEN IS OUR PROUD WINE COLLECTION THAT CELEBRATES THE HONOR OF THE FAMILY HOME AND HIS NEW HOMETOWN IN THE ARGENTINE.

# *de flores y montañas* Tucumén

The Budeguer family history begins with the first immigrants who came to Tucumán to plant their dreams of prosperity. After a century of looking to grow its roots in northern Argentina, moved its renovated hopes to fulfill another dream: his own winery in Mendoza.

## MENDOZA - ARGENTINA

## OUR WINES

### Malbec

Deep ruby purple color, ripe black fruit aromas from cherries, plums and blackberries. Subtle floral notes of violets and roses, translates into a balanced wine with hints of vanilla and coffee provided by their well-integrated wood. Freshness and aromatic persistence.

### Cabernet Sauvignon

Spicy aromas with notes of black pepper, cinnamon, black fruits and cassis. Vanilla and toasted caramel from the aging in American oak barrels blended with the fruit give us a complex and silky wine. Offer a long finish, fruity and memorable.
